What experience do you have in strategic planning?

My experience in my current role as PQD, : 1. To manage to maintain DCP goals.
2. To retain members 3. To see maximum attendance in each sessions of our clubs.
4. Renewal on time 5. Add new members. 6. Support to have successful Contests. Most importantly emphasis on good communicational skills, interpersonal skills and well organised teamwork

What experience do you have in the area of finance?

In the field of finance I continue to learn the ropes, as my knowledge in this field is limited. We have been successful of managing finance for our Clubs, helping Areas and Division and District to find sponsors.

What experience do you have in developing procedures?

All the workshops I have studied and had in simple language has taken at club level in most of my District clubs. This includes the Excom Roles and Responsibilities, Better Speech Series, Successful Club series, Leadership Excellent series etc.

What lessons did you learn from previous leadership positions?

Be humble, learning never ends, consistency, perseverance and persuasion does helps in the end.

Why do you want to serve as a District leader?

As I have learnt from my mentors, it is now my turn to give back to my fellow members with absolute passion and a strong determination.

In your opinion, what are the District mission's major objectives and how would you work to achieve them?

In my opinion, every members who joins TI must enjoy as he or she learns and grow to be beneficial to their corporate, company, society and family and take their society , community and country ahead on the path of progress by serving the humanity. In short our major objective will be "Building Bridges & Breaking Barriers"
